² USPS Notice of Amendment to Priority Mail Express & First-Class Package Service Contract 2, June 26, 2018 (Amendment).

³ See Order No. 4387, Order Adding Priority Mail Express & First-Class Package Service Contract 2 to the Competitive Product List, Docket Nos. MC2018-120/CP2018-163, January 18, 2018.

The Public Representative has reviewed Priority Mail Express & First-Class Package Service Contract 2 and the Postal Service's Amendment. Based upon that review, the Public Representative recommends Commission approval of the Amendment to Priority Mail Express & First-Class Package Service Contract 2. It appears that the contract as amended should continue to generate sufficient revenues to cover costs and thereby satisfies the standards of 39 U.S.C. § 3633(a).

Requirements of 39 U.S.C. § 3633. Pursuant to 39 U.S.C. § 3633(a), the Postal Service's competitive prices must not result in the subsidization of competitive products by market dominant products; ensure that each competitive product will cover its attributable costs; and, ensure that all competitive products collectively contribute an appropriate share of the institutional costs of the Postal Service. Based upon a review of the financial model, it appears the prices as amended should continue to generate sufficient revenues to cover costs during the next year. In addition, the Postal Service must file revenue and cost data for Priority Mail Express & First-Class Package Service Contract 2 in future Annual Compliance Reports. This data will permit the Commission to annually review the financial results for Priority Mail Express & First-Class Package Service Contract 2 in future Annual Compliance Determination (ACD) reports for compliance with 39 U.S.C. § 3633(a).

The Public Representative respectfully submits the foregoing comments for the Commission's consideration.
